My name is Anita Godwin, my kennel affix is Cavaliagh and have owned Cavaliers for 38 years, we live in a small village just outside the city of Oxford, England. I have been married to Mike for over 50 years we have 3 daughters and 6 grandchildren. I was brought up with dogs my parents had German Shepherds and loved spending time with them. When our youngest daughter was 4, I thought it would be a good time to have a family pet, I was looking for a small dog with a very good temperament that would fit into our family life, obviously we chose a Cavalier who was just perfect and settled into our home very quickly. He was a well bred dog, a Blenheim son of the very famous Champion Crisdig Leading Seaman and the dam from Littlebreach lines, another dog followed soon after, a little tri-colour with Homerbrent

breeding, these dogs remained as our family pets but the blenheim dog was rather nice and began to show him with a little success, I soon became very interested in the show world, and after showing him for a few years bought a lovely bitch as a show/foundation, all I have today can be traced back to her. To date I have bred well over 40 Best in Show dogs at Cavalier Club Shows for a few close friends and myself, my first English Champion (Ch Cavaliagh Alexander) was born in 1989, and continue to show my dogs today with Ch Cavaliagh Jacob winning 'Cavalier of the Year in 2014' and Ch Cavaliagh Honesty winning R.B.B. at the same event the following year at the tender age of 20 months. I have judged in many countries around the world, twice in the USA (east & west coast), Australia, Finland, Sweden, Denmark, many times in southern Europe, not forgetting the UK, N.Ireland, Scotland & Wales.

I am really looking forward to judging your show in May and meeting you and your dogs
